X-Large	20 M	50 GB	20	\$ 1,800	\$ 2,250	\$ 3,150	\$ 3,600
Dedicated	Unlimited	100 GB	50	\$ 2,500	\$ 3,125	\$ 4,375	\$ 5,000
Active Client Access License (ACAL) Fee:				\$ 10.00	\$ 12.50	\$ 17.50	\$ 20.00
Dedicated UU (unlimited ACALs)	Unlimited	100 GB	50	\$ 3,500	\$ 4,375	\$ 6,125	\$ 7,000

- **Records** are the total number of records in all production databases in a Subscription; overage charges may apply.
- **Size** is the total storage of all Licensee databases associated with a Subscription; overage charges may apply.
- **Databases** are the maximum number of production databases included with the Subscription.
- Dedicated subscriptions are allowed to have up to 50 (all production and non-production databases).
- All EQUS (EOL) Subscriptions are subject to a 20% SMA Fee - see EULA and Hosting Agreement for details and benefits.
- Additional database administration and optional hosting services are available by EOL Service Order.
- All EQUS Online database subscriptions are provided on Microsoft Azure and are managed by EQUS Online in an elastic pool with automatic scaling of application services; unless otherwise agreed to in writing.

Setup Fee (SQL Server per instance): Production Database \$ 1,000 | Non-Production Database \$ 400
