

# EQUS<sup>™</sup> OPEN TRAININGS

February 6-9, 2018  
Houston, Texas

---

Learn the skills and techniques for managing data workflows with EarthSoft's Environmental Quality Information System (EQUS) in this EQUS Open Training.

# EQUS OPEN TRAININGS

Learn the skills and techniques for managing data workflows with EarthSoft's Environmental Quality Information System (EQUS) in these EQUS Open Training sessions. Gain experience working with environmental analytic data, specifically focusing on workflows for importing and reporting data with EQUS.

## The EQUS Open Training (\$2400 per person) includes:

- Two (2) hours of online introductory content, January 26, 2018
- Three (3) days of in-person instruction, Feb 6-8, 2018
- Two (2) hours of online follow-up, Feb 16, 2018

## The EnviroInsite Open Training (\$800 per person) includes:

- Once (1) day of in-person instruction on EnviroInsite, Feb 9, 2018

*Choose to attend both Open Training sessions and receive a discounted rate.*

These EarthSoft Training sessions are recommended as introductory Trainings for beginner-level or as refresher Training for intermediate-level EQUS end users.

## Location and Requirements

The in-person portion of these Trainings will be in **Houston, Texas**. The precise address for the Training sessions will be provided at the time of registration.

## Click [HERE](#) to register

Attendees are expected to bring their own laptop with a current version of EQUS Professional installed. A list of installation links of all EQUS software will be distributed to each participant prior to the Training.

There are only **15** seats available for these Trainings.

- Collect field data with EDGE

## EnviroInsite

- Visualize EQUS data in maps
- Create cross-sections and boring logs
- Generate layouts in 2D and 3D

# REGISTRATION INSTRUCTIONS

## Registration Form

The registration fees for each Training session include instruction, and hands-on use of EQUS, and class notes. Registration is required for each attendee. Register [online](#) or request a paper registration form at [training@earthsoft.com](mailto:training@earthsoft.com).

Registrations are processed on a first-come, first-served basis. Incomplete registration forms will not be processed and may delay class reservations. You will receive an acknowledgment email notifying you of registration status and an emailed invoice will follow. Classes are normally confirmed or canceled based on enrollment approximately 15 business days before the scheduled start date of the in-person portion of the program.

## Payment

Payment is required in advance and may be made by check (payable to EarthSoft, Inc.), purchase order (cash is not accepted), or online by credit card. To expedite registration, follow these directions:

- Check payments or purchase orders: Complete the registration form [here](#). After receipt of the emailed invoice, please mail payment/purchase order to 9455 Pensacola Blvd., Suite B, Pensacola, FL 32534. Then email a copy of your check/purchase order to [accounting@earthsoft.com](mailto:accounting@earthsoft.com).

*Note: If paying by purchase order, registrant must be invoiced and payment received prior to the scheduled class date.*

- Credit card payments: Please complete the registration form [here](#). After receipt of the emailed invoice, please call EarthSoft Accounting at 850-471-6262 to provide your credit card information.

## Training Schedule Changes and Cancellations

It is sometimes necessary to change the dates of a Training or to cancel a Training. Registrants are contacted at the earliest opportunity in the event of a scheduling change or cancellation.

## Travel

Transportation to the Training site is the registrant's responsibility. EarthSoft, Inc. assumes no responsibility for non-refundable travel arrangement losses resulting from class scheduling changes or cancellations.

## Lodging and Meals

Registrants are provided a class location and a list of area hotels. Registrants are responsible for making their own lodging arrangements. Breakfast and afternoon snacks are provided.

## Class Materials

All course materials are provided during the Training.

## MEET THE INSTRUCTORS

### Emily Mulford

Emily Mulford has 10 years of experience with EarthSoft training, helping EQiS users gain skills and techniques needed for managing data workflows. She is currently the Corporate Programs and Training Director at EarthSoft and has delivered over 150 online and on-site trainings on 4 different continents.

Emily is passionate about helping EQiS users at all levels and is known for her engaging and approachable teaching style.

### Liz Herrmann

Liz Herrmann has ten years of experience in the environmental industry, with her last five years at EarthSoft. As a Trainer and Programs Analyst, she regularly trains new and experienced EQiS users in all aspects of the EQiS workflows.

Liz enjoys sharing information about new and less known features in EQiS to improve EQiS user's skills and experience while expanding the learning resources for the entire EQiS community.

### Bill Swift

Bill Swift has been an EQiS user for seven years and has thirty years of general computer expertise. For the past four years, Bill has been helping EQiS users as an industry consultant and more recently as a Senior Trainer with EarthSoft. He is very passionate about helping users better understand EQiS.
