

## EQUS™ Government User Group Meeting

November 24, 2015 | 1:00 PM—4:00 PM ET | GoTo Webinar

### You're Invited!

Join us for the first *EQUS Government User Group Meeting*.

Participants will receive a preview of future EQUS enhancements and an opportunity to share ideas, tools and custom applications. Share data management success stories, case studies, and challenges with other EQUS end users from Government agencies.

This event is exclusive to and focused around Government EQUS end users.

To submit a topic or presentation for this meeting, contact [ug@earthsoft.com](mailto:ug@earthsoft.com).

Please join EarthSoft's LinkedIn group: [Here](#)

#### Location—In the Cloud!
