

EQulSTM Enterprise Dashboard Workshop

October 15-16, 2018
Brisbane, Australia

Learn the skills and techniques for building and customizing EQulS Enterprise Dashboards in this highly interactive and specialized Workshop.

Dashboard Workshop

Learn the skills and techniques for building and customizing EQUS Enterprise Dashboards in this highly interactive and specialized Workshop. Gain experience conceptualizing dashboards and turning them into templates and work directly with multiple dashboard-building experts from EarthSoft.

The EQUS Enterprise Dashboard Workshop (\$1050 AUD per person) includes:

- Two (2) hours of online introduction, October 5, 2018
- Two (2) days of in-person instruction, October 15-16, 2018
- Two (2) hours of online follow-up, October 26, 2018

This Workshop is recommended as for Power Users that already have a working knowledge of EQUS Enterprise and their own EQUS data.

Location and Requirements

The in-person portion of this Workshop will be in Brisbane, Queensland, Australia.

The precise address for the Workshop will be provided at the time of registration.

Attendees are expected to bring their own laptop with a current version of EQUS Professional installed and a connection to their own EQUS database for testing.

Click [HERE](#) to register for the EQUS Enterprise Dashboard Workshop

There are only **15** seats available for this Workshop.

EQUS Enterprise Dashboard Building

Learn to construct GIS-driven dashboards and visualize EQUS data in time series charts, data grids, maps and more

Brainstorm with other EQUS users, view examples of existing dashboards, and share Enterprise dashboard tips and tricks for building perfect dashboards

Have the opportunity to share dashboards with other EQUS Enterprise users

Work hands-on with EarthSoft dashboard building experts to learn how to construct workflow-driven dashboards that link together and communicate ideas for future enhancements

REGISTRATION INSTRUCTIONS

Registration Form

The registration fees for the Workshop include instruction, and hands-on use of EQUIS, and class notes. Registration is required for each attendee. Register [online](#) or request a paper registration form at training@earthsoft.com.

Registrations are processed on a first-come, first-served basis. Incomplete registration forms will not be processed and may delay class reservations. You will receive an acknowledgment email notifying you of registration status and an emailed invoice will follow. Classes are normally confirmed or canceled based on enrollment approximately 15 business days before the scheduled start date of the in-person portion of the program.

Payment

Payment is required in advance and may be made by check (payable to EarthSoft, Inc.), purchase order (cash is not accepted), or online by credit card. To expedite registration, follow these directions:

- Check payments or purchase orders: Complete the registration form [here](#). After receipt of the emailed invoice, please mail payment/purchase order to 9455 Pensacola Blvd., Suite B, Pensacola, FL 32534. Then email a copy of your check/purchase order to accounting@earthsoft.com.

Note: If paying by purchase order, registrant must be invoiced and payment received prior to the scheduled class date.

- Credit card payments: Please complete the registration form [here](#). After receipt of the emailed invoice, please call EarthSoft Accounting at 850-471-6262 to provide your credit card information.

Workshop Schedule Changes and Cancellations

It is sometimes necessary to change the dates of a Workshop or to cancel a Workshop. Registrants are contacted at the earliest opportunity in the event of a scheduling change or cancellation.

Travel

Transportation to the Workshop site is the registrant's responsibility. EarthSoft, Inc. assumes no responsibility for non-refundable travel arrangement losses resulting from class scheduling changes or cancellations.

Lodging and Meals

Registrants are provided a class location and a list of area hotels. Registrants are responsible for making their own lodging arrangements. Meals are not provided.

Class Materials

All course materials are provided during the Training.

MEET THE INSTRUCTORS

Emily Mulford

Emily Mulford has over 10 years of experience with EarthSoft training, helping EQulS users gain skills and techniques needed for managing data workflows.
