

Tinna has excelled as an EarthSoft Systems Engineer and is a tremendous contributor to our Government Team's EQUIS support goals.

*- Janet Magurn, President,
EarthSoft, Inc.*

EarthSoft, Inc. is pleased to announce Tinna Chan as the EarthSoft Staff Person for the Fourth Quarter 2018.

Tinna is from the New York City area, and is a Systems Engineer with EarthSoft's Client Management Group.

Tinna holds a Bachelor of Science degree in Environmental Science from the State University of New York College of Environmental Sciences and Forestry, where she graduated Magna Cum Laude.

Prior to joining EarthSoft in 2015, Tinna was a Systems Analyst with TEKsystems,

assigned to the USEPA Region 2, where she was involved in the Emergency Response Division, and was responsible for the Quality Assessment and Control of Electronic Data Deliverables (EDDs).

With approximately six years of EQUIS experience, Tinna has helped maintain EarthSoft as a leader in data management systems. Her ability to understand the needs and goals of the client, and provide the appropriate service to meet them, makes Tinna a key member of the EarthSoft Government Client Management team.
