

WEEKLY CURRENTS NEWSLETTER

Week 9 | February 24 – March 2

The screenshot displays the EQUS Enterprise EZView interface. At the top, it says "EQUS Enterprise" and "EZView". Below the title bar is a map of a region in Utah, showing several sampling locations marked with blue dots and labeled with IDs like "4954000", "4953990", "4953250", "4953000", and "4954000". Below the map is a table titled "Traffic Light" with the following data:

icon	facility_cod	sys_loc_cod	sample_dat	matrix_cod	chemical_nm	report_resu	report_resu	detect_flag
●	GKM	4954000	2015-08-11	WS	Lead	82.2	ug/L	Y
●	GKM	4953990	2015-08-11	WS	Lead	62.9	ug/L	Y
●	GKM	4953250	2015-08-11	WS	Lead	63.5	ug/L	Y
●	GKM	4953000	2015-08-11	WS	Lead	102	ug/L	Y
●	GKM	4954000	2015-08-11	WS	Lead	62.6	ug/L	Y

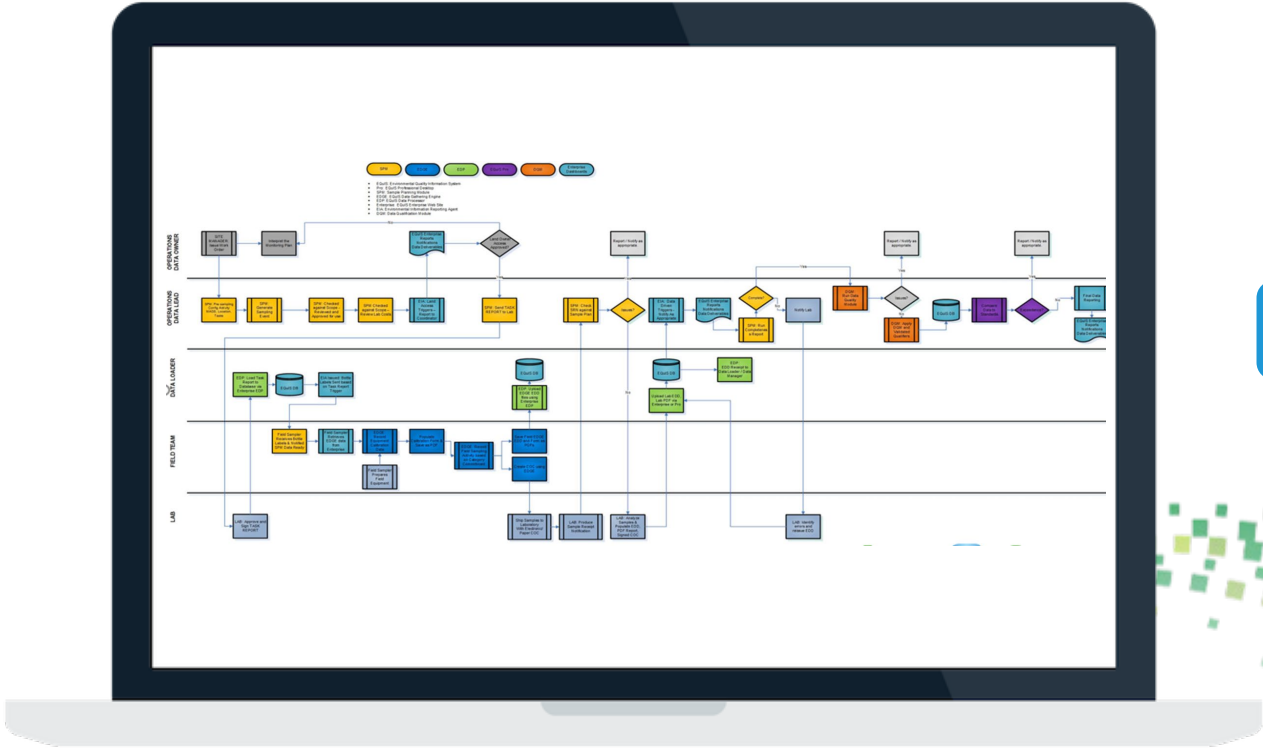

At the bottom of the table, it indicates "1 of 19 pages (94 items)". To the right of the table is a panel titled "EZView" with the text "AR: GKM Utah - Lead" and "Last Download: 2018-11-14, 9:40 pm". Below this, it shows "Run Time: 0.5 seconds", "File Size: 95.26 KB", and "Record(s): 94". There is a "DOWNLOAD" button with a gear icon next to it.
