EarthSoft Training Fact Sheet

Gain the skills, techniques, and knowledge to own the workflow and make decisions using EarthSoft's EQuIS. EarthSoft offers multiple EQuIS Training programs, both in-person or online.

We have trained thousands of clients world-wide and will work with you to create a training plan best suited for your needs. Join us at one of our scheduled Open Trainings or have us come to your office and train your whole team. Engage with us online and take one or more EQuIS Academy courses or create your own tailored Online Training.

Open Trainings

Meet EarthSoft in a training classroom for three (3) days of general EQuIS Training. Pick from several different Open Training locations each year, depending on what suits you. The format is Open; meet other EQuIS users and exchange tips, tricks, and questions. Bring your laptop; the database and training licenses are provided by EarthSoft.

Details:
- $2,500 US per attendee
- Two (2) hours of online "Pre-Training"
- Three (3) days of in-person instruction
- Two (2) hours of online follow-up with EarthSoft Trainers
- Dates and location published in advance by EarthSoft

Ideal for:
- 1 – 3 people per company
- New EQuIS Users or those seeking a refresher
- Trainees looking for broad exposure to the core EQuIS workflow
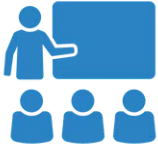

EQuIS Academy

Choose from any of the online EQuIS courses offered (or take them all). Spend an hour or two with us in the comfort of your office, learning the skills and techniques you need to own the workflow. Courses are focused on specific applications, modules, or portions of the EQuIS workflow. Receive recordings of your EQuIS Academy courses as reference material.

Details:
- $100 US per person, per EQuIS Academy course
- Dates published in advance by EarthSoft

Ideal for:
- Groups of 1 – 3 people per company
- New EQuIS users or those seeking a refresher (skill levels vary per course)

Advanced User Workshops

Join EQuIS experts in a dynamic, in-person clinic for three (3) days of in-depth EQuIS development and theory. Pick from several different Advanced User Workshop locations each year, depending on what suits you. The format is Open; meet other EQuIS Power users and brainstorm ideas. Bring your laptop, projects, and database; the training licenses are provided by EarthSoft.

Details:
- $3,500 US per attendee
- One (1) hour of online "Preliminary Preparation"
- Three (3) days of in-person workshop with EarthSoft Developers
- Dates and location published in advance by EarthSoft

Ideal for:
- 1 – 3 people per company
- Experienced EQuIS Power Users with some software development experience
- Attendees working on advanced custom projects

Tailored Online Trainings

Connect with EQuIS Trainers remotely and get your entire team trained, even if trainees are in multiple offices. EQuIS Trainers will help you create an agenda specific to the needs of your team. Spend a few hours with us in the comfort of your office, learning the skills and techniques you need to own the workflow. Receive recordings of your Tailored Online Training sessions as reference material.
