[5]*GCC High hosting fee calculated as 35% of EOL Enterprise, ACAL, and Helios fees; 35% of the Hybrid Configuration Portfolio Enterprise fee.*

Option 2: Self-Hosted License Portfolio

Portfolios may include both perpetual and term licenses. Perpetual licenses are granted per environment. An environment is a single, logical SQL Server (e.g., Azure SQL Server, Azure SQL Managed Instance) that shares the same compute resources located in the same data center. While geo-redundant database backups are permitted, the SQL Server instance may not be replicated, load-balanced, or otherwise distributed across multiple locations or data centers. Each logical SQL Server is associated with exactly one compute environment (e.g., Azure App Service Plan) for running the software.

EQuIS Enterprise and Schema(s)

License Type	**Basic**	**Premium**
EQuIS Enterprise *Includes an EDP Distribution license*	$22,000 (per environment)	$27,500 (per environment)
Active Client Access License (ACAL)	$800 (per ACAL)	$1,000 (per ACAL)

Signed End User License Agreement (EULA) is required. All prices are stated in USD.
